Objective

Driven IT engineering student with hands-on experience in software design and system development. Seeking an opportunity to grow as a developer while contributing to meaningful and scalable technology projects.

Skills

- Programming :- Python , DSA.
- Database :- MySQL , Mongoddb.
- Interpersonal Skills :- Positive Attitude , Teamwork , Versatility, Leadership , Patience.
- AI Tools :- Gemini , ChatGPT , Yoodli , Bolt

Education

- Priyadarshini Bhagwati College of Engineering , Nagpur** 2022 - 2026
B-Tech in Information Technology
- GPA :- 7 / 10 (till 5th sem)
- D.R.B Sindhu Mahavidyalaya , Nagpur** 2020 - 2022
HSC - Science
- Percentage :- 47%
- Snehi English Convent, Nagpur** 2020
SSC
- Percentage :- 76%

Internships

- Jr.Software Engineer Intern** Nagpur , MH
PugArch Technology Pvt.Ltd July 2024 - Jan 2025
- Developed and optimized web applications with a focus on responsive design, SEO, and performance.
 - Designed and implemented backend functionalities, including database integration and automation workflows.
- Jr.Python Developer Intern** Nagpur, MH
Amplemind Software Solutions Pvt.Ltd Feb 2024 - June 2024
- Built user-friendly GUI-based applications for data and service management using Python frameworks.
 - Integrated secure data handling, validation mechanisms, and scalable features for large datasets.

Projects

Ipapo Website

- Designed and developed the website's architecture, ensuring a responsive and user-friendly interface using technologies like HTML, CSS, React, Email-JS. Optimized the website for performance, SEO, and accessibility, ensuring improved page load times and search engine visibility.

Employee Company Data Management API

- Designed and implemented API endpoints for CRUD operations to manage employee and company data efficiently. Conducted extensive testing of API functionality and performance using Postman, ensuring reliability under high data loads.

Student Management System

- Integrated validation mechanisms to ensure accurate and secure handling of student and admission data. Optimized the application for performance, enabling seamless management of large volumes of student information. Designed and developed the graphical user interface (GUI) using Tkinter for intuitive navigation and data management.

Certifications

Professional Certificates :-

- Google Cybersecurity Professional Certificate
- Microsoft Certified Azure Fundamentals
- Python Development Certificate
- TCS iON Career Edge Certificate

Participation Certificates :-

- National Level Software Project Competition
- Central India Hackathon
- Talent Battle 100 Days Coding Challenge
- AWS Technical Career Counselling
- HR Skills Workshop
- & 30+ Technical Certificates

Volunteering

- Brand Ambassador of RTMNU
- Campus Ambassador of International Model of United States - US
- SPC Member - LTJSS
- NSS Member - PBCOE
- University Football Captain - PBCOE
- Training and Placement Cell Coordinator - PBCOE
